Sellers Comments

The 2025 Renault Clio 1.0 Turbo Zen is a stylish and refined compact hatchback that blends European flair with everyday practicality. Powered by a 1.0-litre turbocharged 3-cylinder petrol engine producing 74 kW and 160 Nm of torque, it's paired with a 5-speed manual transmission and delivers a smooth, responsive drive. With a top speed of 187 km/h and fuel consumption averaging 5.7 L/100 km, the Clio Zen offers both performance and efficiency. Inside, the Clio Zen features a premium cabin with soft-touch materials, a partially digital instrument cluster, and a 7-inch touchscreen infotainment system with onboard navigation, Apple CarPlay, and Android Auto. Standard features include cruise control, manual air conditioning, electric front windows, remote central locking, and a multi-function steering wheel wrapped in artificial leather. Safety is a strong point, with a 5-star Euro NCAP rating, six airbags, ABS, stability control, ISOFIX child seat anchors, full-LED headlights, and rear parking sensors. The Clio Zen also boasts a spacious 391-litre boot and a refined ride quality, making it ideal for both city commuting and weekend getaways.
