The 2019 Datsun GO 1.2 MID is a compact 5-seater hatchback that blends affordability, efficiency, and modern tech for urban drivers and small families. Powered by a 1.2-litre 3-cylinder petrol engine delivering 50 kW and 104 Nm of torque, it's mated to a 5-speed manual transmission and offers an impressive fuel consumption of just 5.5 L/100 km, making it ideal for daily commuting and weekend getaways. The GO MID boasts a refreshed exterior with LED daytime running lights, 14-inch alloy wheels, and a bold front grille. Inside, it features a spacious cabin with comfortable seating for five, a 7-inch touchscreen infotainment system with Apple CarPlay and Android Auto, Bluetooth, and USB connectivity. Safety is prioritized with dual front airbags, ABS, EBD, rear parking sensors, child safety locks, and ISOFIX child seat anchors. With a kerb weight of just 950 kg and a practical boot capacity of 265 litres, the GO is nimble, efficient, and versatile — a smart choice for first-time buyers, city dwellers, and fleet operators alike.
