Sellers Comments

The Suzuki Swift is a popular, budget-friendly compact hatchback known for its fuel efficiency, responsive 1.2-litre engine, and fun-to-drive nature. It offers a manual transmissions, with features like 6 airbags, ABS, and a 7-inch touchscreen available, depending on the model. The latest models also include unique design cues like the "helmet visor" look and distinctive 3D rear lights, plus advanced safety features such as ESP and hill hold control. Engine: A 1.2-litre Dualjet engine delivers a good balance of performance and fuel economy. Transmission: a 5-speed manual Fuel Efficiency: Known for being very fuel-efficient, with official figures from 4.4L/100km on some models. Handling & Ride: A lightweight platform, advanced suspension, and a nimble design contribute to excellent handling and stability. Safety: Standard safety features across the line-up include six airbags, ABS with EBD, and electronic stability control (ESP). Interior & Technology: Features vary by model but can include a 7-inch touchscreen, a rear-view camera, and a 60/40 split-folding rear bench
