- Multifunctional Steering Wheel

Sellers Comments

The 2019 Opel Corsa 1.4 Turbo Sport is a "fun hatch" B-segment hatchback with a 1.4-liter turbocharged petrol engine producing 110 kW of power and 220 Nm of torque, paired with a 6-speed manual gearbox. It features sporty touches like 17-inch alloy wheels, sport seats, and a lowered ride height. The interior includes the Intellink infotainment system, and while it offers practical features like automatic lights and wipers, the ride can be firm due to the suspension.
