Sellers Comments

The BMW G 310 R is an agile, entry-level roadster known for its lightweight and maneuverable design, featuring a backward-tilted single-cylinder 313cc engine with 34 hp, an upside-down fork, and ABS as standard, making it an approachable and sporty choice for urban riding and beginners. It offers modern styling with LED lighting, a low seat height for easy reach, and a combination of quality components that provide premium BMW feel at a lower price point.
