Sellers Comments

Experience the joy of an engaging drive with this 2024 Suzuki Swift 1.2 GL+ Manual. This model is celebrated for its incredible fuel efficiency, achieving an official combined consumption as low as 4.4 L/100 km, making your motoring costs exceptionally low. The lively new 1.2-litre, 3-cylinder engine delivers 60 kW and 112 Nm of torque through a slick 5-speed manual gearbox, perfectly combining efficiency with a fun-to-drive character thanks to its lightweight HEARTECT platform. The GL+ trim punches above its weight, featuring a 7-inch touchscreen infotainment system with seamless Apple CarPlay and Android Auto, plus a reverse camera for easy parking. Safety is a major highlight, with six airbags (front, side, and curtain) and Electronic Stability Programme (ESP) standard across the range. We accept all trade-in vehicles, delivery is available nationwide, and finance can be arranged through all major banks in South Africa.
