## Features

## Sellers Comments

The 2009 Volvo XC60 D5 Geartronic is a premium midsize SUV that blends Scandinavian design, advanced safety, and strong performance. Powered by a 2.4L 5-cylinder turbo diesel engine, it delivers 185 hp with smooth automatic Geartronic transmission, offering both efficiency and responsive driving. The XC60's elevated ride height and all-wheel drive provide confidence on any road, while its spacious interior ensures comfort for driver and passengers alike. Volvo's reputation for safety shines through with features such as City Safety collision avoidance, multiple airbags, and robust build quality. Practicality meets style with generous cargo space, refined finishes, and modern conveniences including climate control, premium audio, and leather seating. Ideal for families or professionals, the XC60 D5 Geartronic combines durability, elegance, and versatility, making it a reliable choice for those seeking comfort and security without compromising on performance.
