The 2014 GWM H5 2.4 City is a versatile SUV that blends practicality, comfort, and value. Powered by a reliable 2.4L petrol engine, it delivers smooth performance for both city driving and longer journeys. Its bold exterior styling, chrome accents, and elevated stance give it a confident road presence, while the spacious interior offers ample legroom, supportive seating, and generous cargo capacity. Equipped with air conditioning, power steering, electric windows, and a quality sound system, it ensures convenience and comfort for every trip. Safety features include ABS brakes, dual airbags, and central locking, providing peace of mind for driver and passengers. With its durable build, affordable maintenance, and strong reputation for reliability, the GWM H5 2.4 City is an excellent choice for families or professionals seeking a capable SUV at an attractive price point. Not for sale outside of Border Kei Area. We can only warrant this vehicle if sold in our area of control
