## Sellers Comments

The 2025 Renault Kiger 1.0 Zen Manual is Renault's entry-level compact crossover, designed to be affordable yet practical for everyday urban driving. The Kiger Zen Manual is the base trim in the refreshed 2025 Kiger lineup, making it one of the most budget-friendly crossovers in South Africa. It's powered by a naturally aspirated 1.0l petrol engine paired with a 5-speed manual gearbox, aimed at efficiency and low running costs rather than high performance. The facelift brings subtle cosmetic updates, keeping the design modern and sporty while maintaining Renault's signature bold styling.
