N/A

Features

- Engine & Performance •125 cc air-cooled
- single-cylinder
- four-stroke engine – reliable with smooth power delivery suited for beginners. •Fuel-injection system – makes starting easier and improves fuel economy and responsiveness compared with carbureted bikes. •Four-speed manual transmission with a durable manual clutch – helps riders learn gear control just like bigger bikes
- Electric starter (plus kickstarter backup) – practical and easy for all riders to get rolling.
- Chassis & Suspension •Strong steel frame and swingarm – built to handle off-road bumps and rough ground. •Pro-Link® rear suspension with single shock – improves comfort and handling over varied terrain. •31 mm telescopic front forks – offer confidence-inspiring front suspension action. Wheels
- Brakes & Tires •Off-road ready wheel sizes •Standard: 17" front and 14" rear •Big Wheel version: 19" front and 16" rear for taller riders. •Front hydraulic 220 mm disc brake – solid stopping power. •Rear drum brake – simple and reliable. Practical Features •Low seat height – easy to reach the ground
- great for new riders. •Lightweight and manageable – around ~90 kg (varies by version)
- making it simple to handle. •Tough
- race-inspired bodywork – durable plastics inspired by Honda's larger CRF race bikes.

Dimensions & Fit •Fuel tank capacity: ~3.7–4.5 L depending on model and region. •Seat height: approx. 785 mm (standard) / slightly higher on Big Wheel. •Great for learning trail riding or as a first “real” dirt bike thanks to its easy manners and approachable power.

Sellers Comments

Forget the expected. It’s time for a new generation to shake things up. Start with a brand-new engine producing incredible, class-leading power. Dial in a lightweight chassis honed for sports, tightly wrapped in head-turning streetfighter style and the new CB750 Hornet takes flight. Nothing else comes close. For new and used motorcycles visit us at Honda East London. We stock a fantastic selection of quality motorcycles to choose from. When you are ready, please give us a call and we will help you with the purchasing process. Our friendly team - Alan and Mike, are always available to help you. ***Purchase any model and enjoy free rider training on us!
