Sellers Comments

The BMW F 800 GS Adventure (2013-2018) is a robust, mid-size dual-sport motorcycle designed for long-distance adventure travel. It features a 798cc parallel-twin engine, a large 24-liter (6.3-gallon) fuel tank for extended range, a reinforced subframe, crash bars, and standard ABS. With a 21-inch front wheel and enhanced touring comfort, it is built to handle both dirt and highway with increased stability over the standard F800GS.
