## Sellers Comments

In the competitive landscape of the South African automotive market, few vehicles have captured the hearts of urban commuters and weekend adventurers quite like the Ford EcoSport. As the pioneer that essentially kickstarted the compact SUV revolution, the EcoSport has always been about punching above its weight. This specific 2021 Ford EcoSport 1.0T Trend represents the pinnacle of that evolution—a vehicle that balances modern technology, rugged capability, and remarkable efficiency. With 102,126 km on the clock, a single-owner pedigree, and a full service history, this isn't just a used car; it's a well-maintained asset ready for its second act.
