## Features

## Sellers Comments

Step into comfort, efficiency, and modern design with the 2022 VW Tiguan 1.4 TFSI 110kW Life. This well-rounded SUV is built to handle everyday driving with ease, offering a smooth and refined ride whether you're navigating city streets or heading out on longer journeys. Powered by a responsive 1.4 TFSI engine delivering 110kW, the Tiguan strikes the perfect balance between performance and fuel efficiency. Its sleek exterior design is complemented by clean lines and a confident stance, making it a stylish presence on the road. Inside, the Life trim offers a spacious and practical cabin with high-quality finishes and intuitive technology. Enjoy features such as a user-friendly infotainment system, multifunction steering wheel, and ample legroom for both driver and passengers. The generous boot space ensures you have all the room you need for family trips, shopping, or weekend getaways. Safety and convenience come standard, with advanced driver-assistance features designed to give you peace of mind on every drive. The 2022 VW Tiguan 1.4 TFSI 110kW Life is the ideal SUV for those seeking reliability, comfort, and everyday versatility in one impressive package. Prices subject to in-house finance.
