- a modern floating center console with a rotary e-shifter

Sellers Comments

The 2024 Ford Territory 1.8T Trend is the perfect middle-ground family SUV, offering massive interior space, striking modern design, and advanced technology at a highly competitive price. Sitting directly between the entry-level Ambiente and the top-spec Titanium, the Trend trim is considered by many reviewers to be the absolute value "sweet spot" in the lineup. It trades the small, fussy nature of standard crossovers for a wide, commanding stance and segment-leading rear legroom that makes it perfect for growing families and road trips alike.
